

DECLARATION OF COMPLIANCE IN ACCORDANCE WITH
SAIL III MOC TO SORA OSO#03

(insert model name)

Hereby, I, _____ (insert name of the accountable manager of UAS' designer), accountable manager of the company (insert name of the company) declare under my sole responsibility that the UAS _____ (insert UAS model name), designed by the _____ (insert name of the company as above) with hardware and software configuration as defined by documents (insert documents numbers and version): _____ is compliant with the EASA Means of Compliance to SORA OSO#03 Maintenance of UAS (design requirements - SAIL III) and Light-UAS.2625 of 19 December 2024.

I moreover declare that the requirements of the MoC have been reviewed and that its provisions have been complied with. In particular:

- Scheduled maintenance requirements have been developed and include all maintenance tasks for which periodic scheduling information has been provided, as per chapter 3.2.1.1 of the MoC;
- The Airworthiness limitations have been defined, as per chapter 3.2.1.1 of the MoC (if applicable);
- Unscheduled maintenance requirements and associated informative material have been defined, including trouble shooting information, as per chapter 3.2.1.2 of the MoC;
- Maintenance instructions, including introduction information, servicing information and maintenance tasks information have been developed as per chapter 3.2.2 of the MoC;
- All maintenance tasks include a task identifier, the title of the task, the general description, the task scheduling, the consumables, the tooling and testing procedures as applicable, as per chapter 3.2.2.2 of the MoC.

Evidence

The following supporting evidence has been developed in accordance with the MoC, and will be made available should it be requested by the competent authority for oversight purposes:

Document description [relevant section of the MoC, where applicable]	Document title (including chapter/subchapter)	Document version
Scheduled Maintenance [3.2.1.1]		
Airworthiness limitations [3.2.1.1]		
Unscheduled maintenance [3.2.1.2]		
Trouble shooting information [3.2.1.1]		

Declaration form to MoC OSO#03

Maintenance instruction [3.2.2]		
Maintenance tasks [3.2.2.2]		

Table 1 – Compliance evidence

Further evidence may be requested by the competent authority for oversight purposes.

Please note that several product harmonisation legislations may apply to your product when placed or made available on the EU market. For instance the [Radio Equipment Directive 2014/53/EU](#), [Low Voltage Directive 2014/35/EU](#), [Electromagnetic Compatibility Directive 2014/30/EU](#), [Regulation 2023/1230/EU - machinery | Safety and health at work EU-OSHA \(europa.eu\)](#), [RoHS Directive 2011/65/EU](#), etc. It is your responsibility to identify applicable legislations and requirements. Once conformity to all applicable requirements has been demonstrated, manufacturers shall draw up an EU declaration of conformity and affix the CE marking on their product.
