Cologne, 07 July 2010

Invitation
EASA Workshop
Required Navigation Performance Authorization Required – RNP(AR)
20 October 2010, Cologne

Dear Sir or Madam,

It is my pleasure to invite you to a one-day introductory workshop hosted by the European Aviation Safety Agency’s (EASA) to discuss the implementation and approval of RNP(AR) operations and to benefit from experiences made by national authorities.

This workshop aims to review the regulatory framework, roles and process to facilitate RNP(AR) operations by EU operators and will focus on the interaction between

- aircraft/equipment performance and requirements
- RNP(AR) approach design and verification; and
- operational requirements, flight crew procedures and training

so as to identify ways to coordinate such endeavours in the emerging EU framework of operational suitability provisions.

The detailed programme will soon be published on our website at http://www.easa.europa.eu/home/g_events.html including updates and copies of the presentations after the event.

For registration or any further information on this workshop please contact EASA Certification Flight Standards at Flightstandards@easa.europa.eu or +49 221 89990 4166. Early registration is recommended as the number of places is limited to a maximum of 110 attendants.

Yours sincerely,

Dr Norbert Lohl
Certification Director
European Aviation Safety Agency
