**Subject:** Invitation to the EASA/Eurocontrol SERA Workshop on 19 September 2011

Dear Madam or Sir,

It is my pleasure to invite you to attend the workshop on the draft implementing rule on Standardised European Rules of the Air (SERA) Part B organised by EASA and EUROCONTROL, which will be held at EUROCONTROL premises on **19 September 2011**.

It is our intention to make this workshop part of the consultation process and the participants will have the opportunity to express their opinion on the basis of the Comment Response Document prepared by EASA and EUROCONTROL, which will be published on EASA's website in the following days.

The extension of scope of EASA Basic Regulation<sup>1</sup> and in particular Annex Vb of this regulation requires the Agency to prepare draft implementing rules on Standardised European Rules of the Air (SERA) following the work already done by EUROCONTROL as part of European Commission mandate within the Single European Sky framework.

As part of the SERA consultation process, please find attached the annex with further information on the Stakeholder Consultation Workshop on 19 September 2011.

Yours faithfully,

  
on behalf of  
**J. KNEEPKENS**
