**Question:**

**We assume that all systems in operation before September 13 are grandfathered and only need SoC after major changes. Please confirm.**

**Answer:**

According to the transitional provisions, systems in operation before 5 October (entry into force date) holding EC declarations in accordance with Regulation (EU) No 552/2004 are deemed to have been issued with certificate, declaration, or statement of compliance.

In case of major change, there is a need to reissue the SoC.
