## FAQs:

One-off notification flights, Third Country Operators (TCO), Regulations

## **Question:**

How long is a 'one-off notification' valid?

#### **Answer:**

It is important to remember the following critical milestones in the 'one-off notification' process:

The operator must formally apply to the Agency for a standard TCO authorisation within 14 days after the date of the 'one-off notification'; and

Flights may only be performed under the 'one-off notification' for a maximum period of **twelve** (12) consecutive weeks (= 84 calendar days) following the date of the 'one-off notification', or until such time as the Agency has taken a final decision on the formal TCO application (see point 1. above).
