However, there is a general requirement in Annex III of *Regulation (EU) 2017/373*:

**ATM/ANS.OR.B.005 Management system**

A service provider shall implement and maintain a management system that includes:

(...)

(a)(6) a process to ensure that the personnel of the service provider are trained and competent to perform their duties in a safe, efficient, continuous and sustainable manner. In this context, the service provider shall establish policies for the recruitments and training of its personnel;
