# **FTEJerez**

**An ab-initio pilot training  
organisation**

Impact of the pandemic

- Flying activity suspended for 12 weeks
- Ground instruction moved to Virtual Classroom
- Students quarantining on campus

# Challenges

## Common to everyone

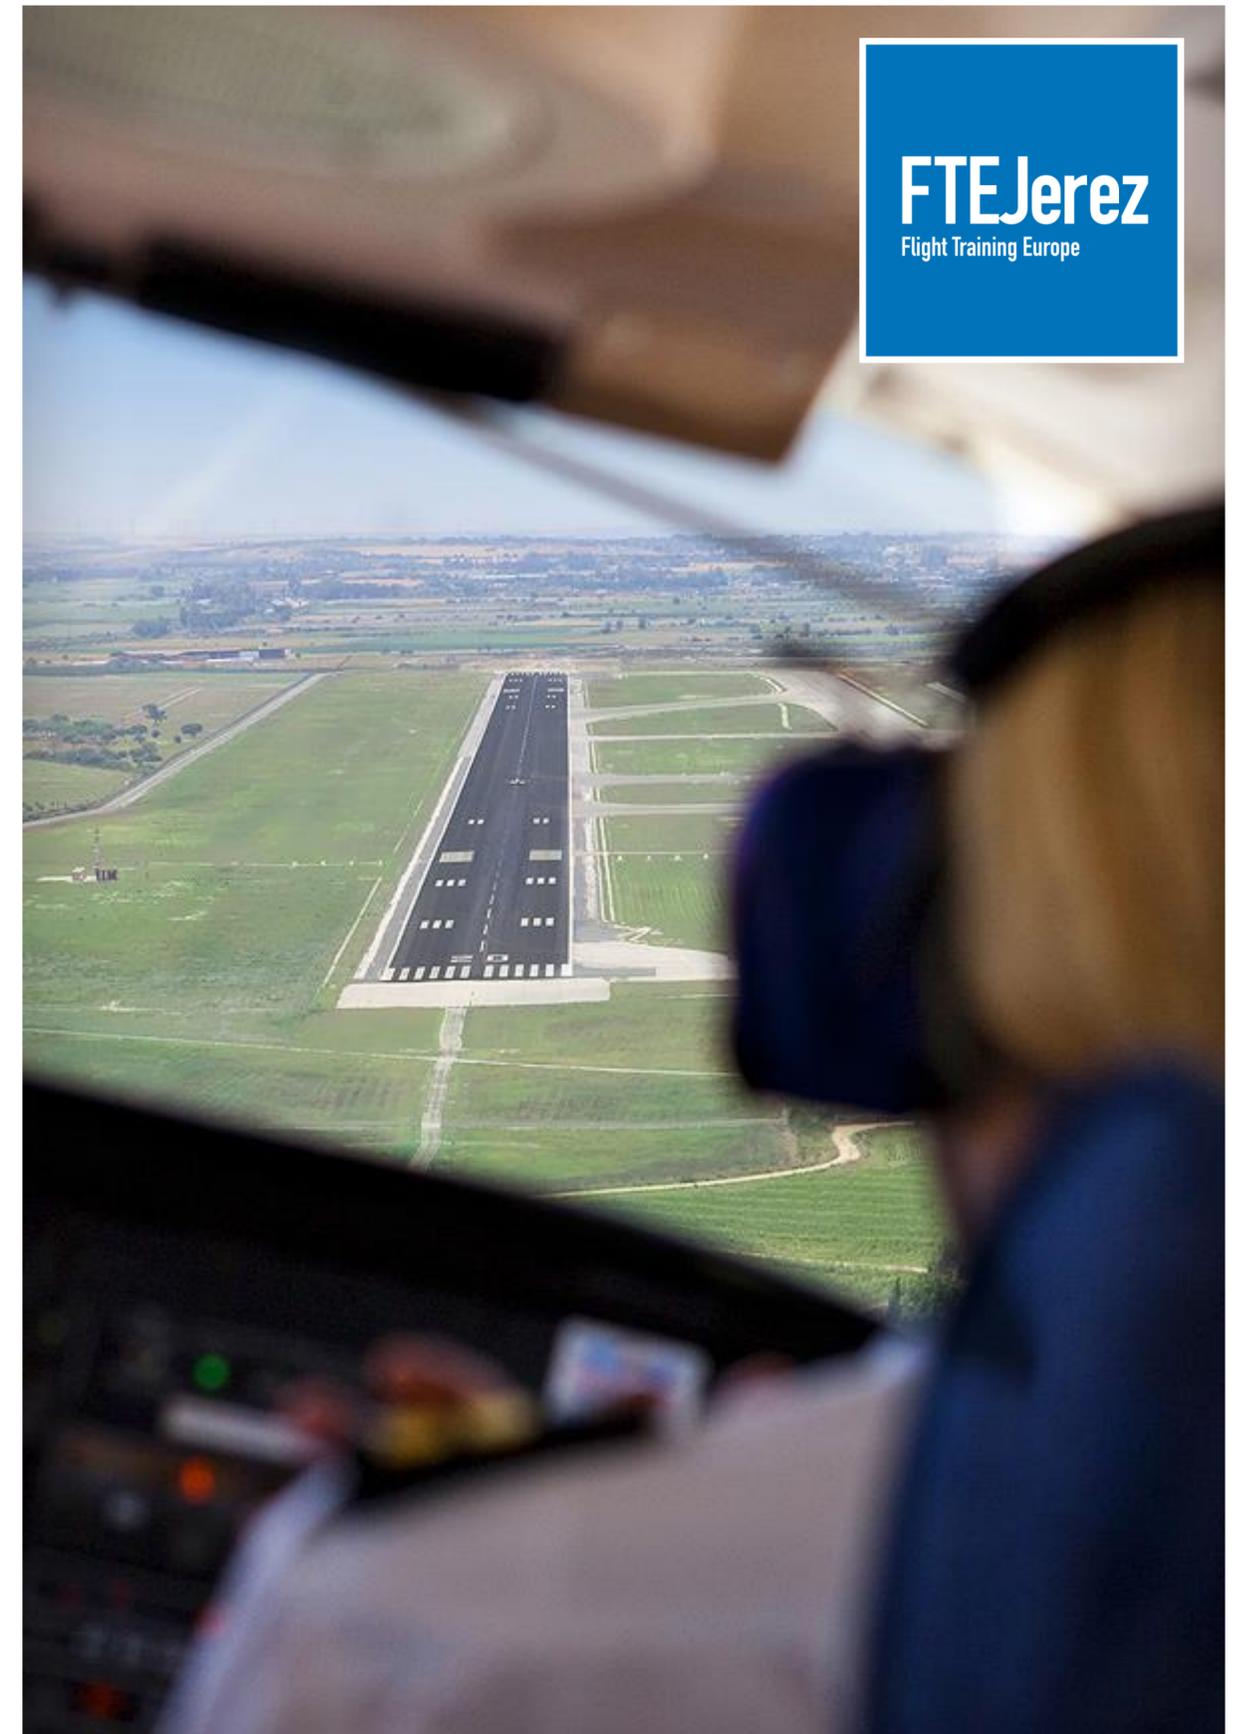

- Impact of the measures to ensure health safety
- Industry uncertainty

## Instructors

- decaying skills over long period of inactivity

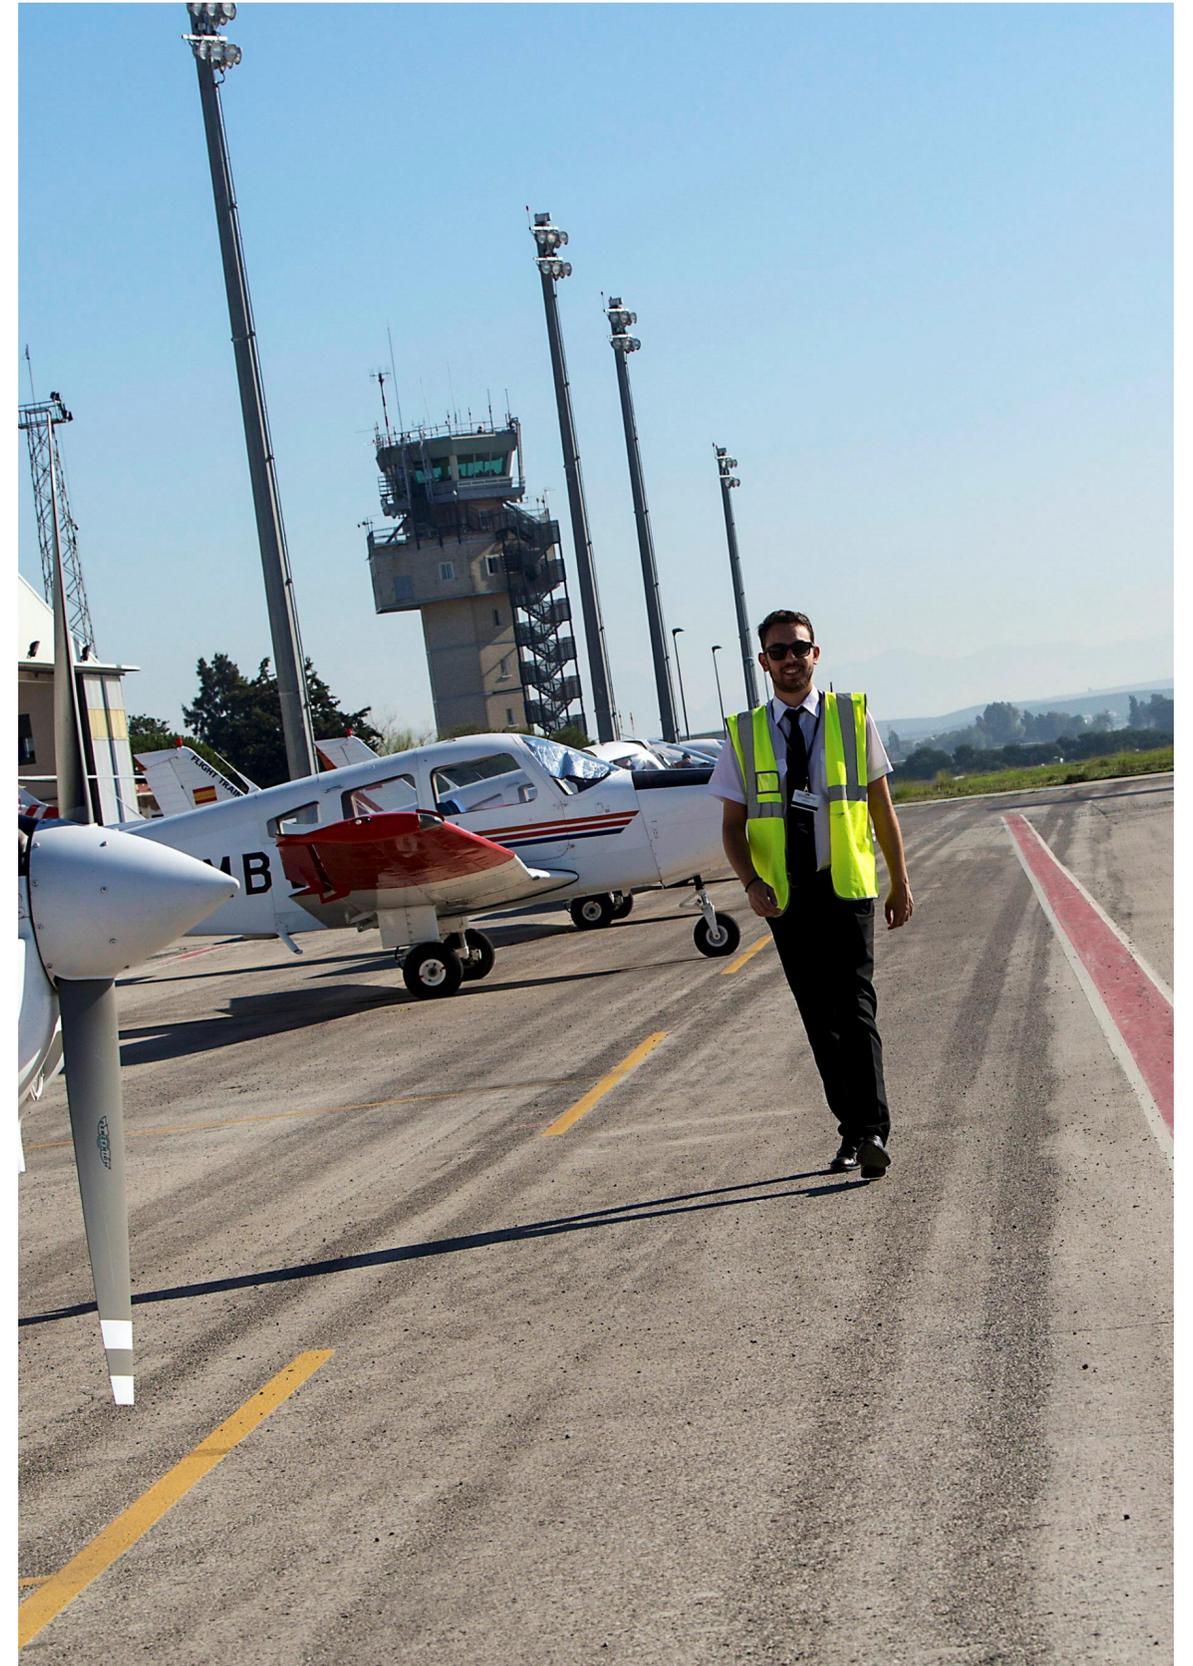

## Students

- Stress
- Motivation

# Lessons Learned

- Currency checks lead by CFI
- Reinforced feedback collection procedures
- Paper based to paperless
- Virtual classroom - a great solution with great limitations
- Human contact remains an unbeatable asset in training

# The Future
