

EASA Certification Information

No.: 2018-21
Issued: 18/12/2018

Subject: Notification of cancellation of SOCATA's (now DAHER) intent to surrender a Type Certificate (TC) No. 190 and of the intent to transfer this TC

Type Certificate: No. 190

Issued by: DGAC France

Issued on: 14 August 1997

Model: GA-7 "COUGAR"

TC Holder: Société de Construction d'Avions de Tourisme et d'Affaires SOCATA (now DAHER)

Background: In the letter dated 23 November 2017, SOCATA (now DAHER), the current holder of Type Certificate (TC DGAC) No. 190, requested to surrender the aforementioned TC to EASA. The TC is deemed to be an EASA TC in accordance with Article 3 of Commission Regulation (EU) 748/2012.

After issuing the Certification Information informing about this intention DAHER was contacted by US-based Cougar Aircraft Corporation that expressed the intention to obtain the TC.

DAHER sent the application for TC Transfer on 16 August 2018 and the transfer is ongoing and being coordinated with FAA at the moment. After the TC transfer is satisfactorily finished, the Certification Information will be published.
