

Tbilisi, July 2019

## **Work package 4**

### **Training on Air Navigation Service Provider (ANSP) Certification**

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), a two-day training session on Air Navigation Service Provider (ANSP) certification was delivered from 10<sup>th</sup> to 11<sup>th</sup> July 2019, in Tbilisi, Georgia.

The course provided an overview of Regulation (EU) 2017/373 laying down common requirements for providers of ATM/ANS and other ATM network functions and their oversight by focusing on the main changes introduced, including differences to existing applicable EU requirements.

The training was provided in 9 modules:

- Set-up the scene ('Cover Regulation')
- Authority Requirements
- Common requirements for ATM/ANS (service) providers
- Part-ATS
- Part-MET
- Parts-AIS/CNS/ATFM/ASM/NM
- Part-DAT
- Part-PERS | Subpart-ATSEP
- Regulation (EU) 2017/373 evolution

The activity was attended by nineteen (19) subject matter experts from Georgia, Armenia and Azerbaijan.
