

Baku, April 2019

Work package 4
Technical Assistance on Heliport Certification Azerbaijan

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), a technical assistance on Heliport Certification took place in Baku, Azerbaijan from 22 to 24 April 2019.

The main objective was to provide detailed and hands-on overview of processes relating to the implementation of heliport certification. The participants were given a presentation of the main components of heliport certification governance and standards supported by real case studies.

This project is funded by the European Union
