

Tbilisi, December 2019

## Work package 4 Workshop on EU Directive 96/67 (Ground Handling)

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), a two-day workshop on EU Directive 96/67 (Ground Handling) was delivered from 9<sup>th</sup> to 10<sup>th</sup> December 2019, in Tbilisi, Georgia.

The workshop familiarised the participants with the scope of the EU Directive 96/67/EC on access to the ground handling market at EU airports, and provided an overview of how the Directive is implemented in different EU Member States as well as guidelines on how to implement it in non-EU Member States. It also included an introduction to the development of the ground handling concept of the European Commission and EASA, including Regulation (EU) 2018/1139.

The activity was attended by nine (19) subject matter experts from Armenia, Azerbaijan, Georgia, Moldova and Ukraine.

This project is funded by the European Union
