

WP 4: Competency Development:

“Workshop on EU Regulation 1178/2011 with focus on Part FCL”

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), a Workshop on Regulation 1178/2011 with focus on FCL was delivered in Kiev from 3 to 5 April 2019.

The overall objective of the workshop was to provide training on the EU Aircrew regulation for NAA inspectors in order to fulfil their obligations in relation to the

holders of aeronautical licenses and certificates and organizations involved in training, evaluation or medical certification of aircraft crew members.

The workshop provided the participants with an in-depth understanding of the European system for licencing and certification for aircrew members, and particularly with regards to the regulatory frameworks used in Europe for such purposes.

Ten subject matter experts from the Civil Aviation Administrations of Armenia, Azerbaijan, Ukraine and Republic of Moldova attended the workshop.
