Implemented by: EASA – European Aviation Safety Agency, an
Agency of the European Union <http://www.easa.europa.eu/>

and ECAC - European Civil Aviation Conference for aviation
security <http://www.ecac-ceac.org>

The prime objective of the Workshop was to provide participants with an in-depth knowledge of the structure of Airworthiness Review and content of the Airworthiness Review Certificate (ARC), and with a good working knowledge in use of the relevant documentation.

The workshop was conducted using a combination of theoretical training, facilitated discussion, and case studies reviewed as group exercises to re-enforce the learning.

Nine (9) airworthiness inspectors from three (3) beneficiary countries, namely Armenia, Azerbaijan and Moldova, attended the workshop.
