

Tbilisi, April 2019

WP 4: Competency Development “Workshop on EU Regulation 1008/2008 - Operation of air services, licensing”

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), a Workshop on Regulation 1008/2008 Operation of air services, licensing was delivered in Tbilisi from 15 to 16 April 2019.

The overall objective was to raise awareness with regards to EU Regulation 1008/2008, introducing participants into the legal obligations for a national civil aviation authority during procedures on the licensing of air operators. The workshop was conducted as a classroom working session including presentations, case studies, group exercises and discussions, providing both the theoretical knowledge, and the practical context to underpin the delegates' learning.

Fourteen subject matter experts from the Civil Aviation Administrations of Armenia, Azerbaijan, Georgia, Moldova and Ukraine attended the workshop.

This project is funded by the European Union
