

Cologne, April 2019

Work package 4

Technical Assistance for the Development of an Air crew licencing inspector procedures manual - Moldova

Within the framework of the EU-funded Eastern Partnership and Central Asia Project (EaP/CA), on-site support for the Development of an Air crew licencing inspector procedures manual took place in Chisinau, Moldova from 15 to 19 April 2019.

The activity was designed to support the CAA by providing guidance on:

- procedures development
- inspection guide development
- staff qualification requirements.

This project is funded by the European Union
