

WP 4: Competency Development: Workshop on Airport Charges Calculation

Within the technical activities of the Eastern Partnership and Central Asia Project (EaP/CA), a two-day working session on Airport Charges Calculation was conducted in Chisinau (Moldova) on the 19th and 20th of June 2018 at CAA Moldova facilities.

The main objective of the working session was to provide on-site support for airport charges calculation and specifically to build the capacity of the participants on ADR charges calculation, by means of theoretical explanations and practical examples.

Eight (8) trainees from the local CAA and the Ministry of Roads Transport and Infrastructure of Moldova attended the session.

This project is funded by the European Union
